Corporate Quality policy

Shree Chemicals Industries Pvt Ltd (SCIPL) is committed to establish, implement and maintain this policy appropriate to the purpose and context of our organization and provide framework to set and review the objectives.

Shree Chemicals Industries Pvt Ltd (SCIPL) is committed to consistently deliver its products and services, conforming to customer's agreed requirements and specifications and continuously strive to meet and exceed the needs and expectations of all other interested parties including customers.

SCIPL ensures that all materials and services purchased, produced and sold are in conformance to all applicable internal, local and international statutory and regulatory requirements and guidelines.

SCIPL ensure to follow principles of customer focus, innovation and communication as expressed in our business plans to ensure continual and continuous improvement in whatever is done to grow our global footprint and pursue improvement opportunities within and beyond the current market.

SCIPL achieves its 'Quality Objectives' by:

- Developing a creative and transparent internal environment,
- Continuous quality improvements,
- Defect prevention through Employee involvement,
- Employee training.

This Quality policy is communicated to all interested parties and within the organization
